Session 1 Fundamentals of Nunchaku 6/20/16 – 7/1/16

Nunchaku, also known as chain sticks, is a short-range weapon that consists of two sticks connected at their ends with chain or rope. It was made famous by Bruce Lee in his movies. Aside from being easy to carry, it is a very versatile weapon, which can be used to defend against most any weapon.

Session 2 Gymnastics for Kung fu 7/18 – 7/29/16

This session will focus on helping students develop their skills for Kip ups, cartwheels and aerial stunts. It is recommended that students be 7 years and above as they will be required to work independently when Sifu works with individual students.

Session 3 Fundamentals of Sword (Dao) 8/8 – 8/19/16

Dao is the ultimate warrior's weapon. It is the most widely used of all weapons and its influence goes beyond the field of Kung fu. Every school of Kung fu used the sword as the basic weapon for rigorous training. It is a very adaptable weapon to different body types.
