Discipline Agreement

Children will be required to act in a respectful and responsible manner at all times, in the same manner as is expected of them in school. If for some reason a child does not act appropriately, the following sequence of events will occur.

1. A child who breaks the rules of the program after being redirected and/or encouraged to change their behavior, will be given a verbal warning and their parents/guardians will be notified verbally of their behavior.
2. If rules are broken a second time, the child will be given a verbal warning. Parents/guardians will be notified in writing.
3. If a problem persists, the child will be temporarily suspended from the program. The parents/guardians will be responsible for providing other after school arrangements for the child for the duration of the suspension.
4. If a problem persists, the child will be dismissed from the program. If the breaking of the rules is manifested in a physical manner (fighting, kicking, etc.) that upsets the child or others physically, the child will be immediately removed from the program and parents will be called. A temporary suspension will result. Our policy is designed to protect the rights and safety of all children in our program.
